

Your commute turned into the ultimate experience.

As its mythical name suggests, Apollo can do it all and it does it with style. This hybrid e-bike combines performance, speed, and durability. Looking for a fast way to commute and make a great impression all at once? Apollo is the perfect E-Bike for you!

Key features

- > Plush 80mm travel suspension fork absorbs the bumps and imperfections of the road.
- > Powerful Bafang 500w motor ensures fast acceleration and excellent hill-climbing performance.
- > The reflective striped tires allows you to stay visible in low-light conditions.

Satin Grey
