

ARIES

Large, versatile.

For the best of both worlds. We like to think of Aries as the all-utility e-bike. With fat tires to manage all terrains, a powerful motor.

Key features

- > Besides their handsome looks, **MAG WHEELS** are extra strong, low maintenance, and lightweight.
- > With fat 4", you are sure to tackle any uneven ground, from snow to beach to gravel.
- > Its powerful motor and battery mean that you can confidently go in any direction you choose.
