

Be seen , Make a scene!

Welcome to your new favorite way of getting around. With three wheels to ensure maximum stability and predictable handling, but without compromising on power and efficiency, and a low step-through frame for easy mounting and dismounting, our Tucana says goodbye to the days of having to load up your car to go to the beach or shop for groceries.

Key features

- > The front-drive motor pulls the trike evenly, offering you full control of your ride.
- > Fat 4" wide tires and a suspension fork offer extra comfort and stability.
- > Large front and rear baskets provides ample space for cargo while keeping it secure.
