

## ***Practical, sleek and fun.***

Like Vela and Vega, the plus versions are effortlessly in fashion, suitable for multiple terrains and biking scenarios. With Plus, you can go that extra mile with just a little bit more go-juice because bigger actually is better. Why? Because bigger batteries means more range thus allowing you to go the distance, all the while traveling in both comfort and style. Go ahead, have fun and take that extra-long trip with Vela Plus or Vega Plus.

### **Key featuresm**

- > Extra-wide tires offer stability and comfort on any terrain, minimizing shock from bumps on the road.
- > Highly versatile, this e-bike is suitable for sand, snow, street, gravel, or boardwalks.
- > Low-step through frame offers a comfortable and relaxed riding position and easy mounting.
