

LYRA 42

Affordable, minimalist, dependable.

Lyra's affordable and exceptionally reliable design, along with its no-frills, streamlined conception will surely delight the most minimalist people out there. Rest assured, this bike is still amazingly powerful and fun to ride, perfectly suited for those of us who don't need the extra bells and whistles if it means saving a few bucks.

Key features

- > Step over frame offers easier mounting than traditional diamond frame.
- > Practical, sleek and eye catching, this all-around suburb & city electric bike is all you need.
- > With a powerful motor and battery, and its relaxed sitting position, no trip is too far.
